Hello Valued Mission Partners!

Thank you for your continued excellence in service to older adults and team members, we value your hard work and partnership! We also know that our Mission Partners often want to do more in support of the CLC mission and we have the perfect opportunity for you coming up this fall with our Aged to Perfection event on **Thursday, October 3rd at 5:30pm at Holly Creek Retirement community.**

This festive, happy hour-like event will feature delectable and hearty delights created by our very own Duet Dining Executive Chefs as well as a wine tasting of carefully curated wines from our distributor partner Republic-National.

There will be time to socialize, meet new friends, enjoy the food and wine, stroll through mission displays, try your luck at a wine pull and silent auction. And of course, special time to recognize our dedicated mission partners.

Thanks to the generosity of our faithful partners, we raised more than \$100,000 for Workforce Innovation at our Aged to Perfection last year. This year we will highlight our **Strengthen Our Foundation Campaign to Support Chaplain Services.** Proceeds will ensure this mission critical program remains fully intact and supportive of residents, families, and team members during these difficult budgetary times when wage compression and inflation demand more funds.

We are rooted more than ever in our vision, mission, and values. An integral part of the history and future of CLC is **Chaplain Services.** Chaplains ensure deep relationships grow, trust develops, and people in the last glorious chapter of their lives are loved and known.

We would love to discuss Mission Partnership opportunities that best works for your goals. Please call or email with any thoughts or questions.

In continued partnership,
